CATHOLIC UNIVERSITY OF AMERICA

A collection for the Catholic University of America will be taken up next weekend, January 5th and 6th in all parishes throughout the Diocese. The Catholic University of America is unique among the institutions of Catholic higher education in America with its ecclesiastical degree programs. It is our national research center from Catholic theology, philosophy and canon law. Founded by the Bishops of the U.S. in 1887, C.U. A. continues its original charter from Pope Leo XIII by providing doctrinally-sound education to priests and religious in their formation, as well as to thousands of undergraduates.

The Catholic University is very grateful for the past support given by the people of our Diocese and I ask you to support this collection once again this year.

Sincerely yours in Christ
Most Reverend Robert J. McManus
Bishop of Worcester
