Please be advised that this schedule may be changed due to unforeseen circumstances (inclement weather, illness, etc.). Every effort will be made in advance for a cancelled/postponed class. Make-up classes would fall on a Sunday evening. I thank you in advance for your understanding and flexibility. Please make every effort to attend, and please contact the office as soon as possible when aware of an absence. All coursework AND service hours must be complete in order to be sponsored by the parish for Confirmation. Please take your commitment to the program seriously!

Sincerely,

Andrew Tomaski
