Please be advised that this schedule may be changed due to unforeseen circumstances (inclement weather, illness, etc.). Every effort will be made in advance for a cancelled/postponed class. Make-up classes would fall on a Sunday. I thank you in advance for your understanding and flexibility. Any missed class must be made up prior to Confirmation. Please make every effort to attend, and please contact the office as soon as possible when aware of an absence. Only one (1) absence in grade 9 can be excused. Any missed class will need to be made up in grade 10.

Sincerely,

Andrew Tomaski,
